

KlubK9/Puppy Practice/Scent/K9 Fit4LifeDropIn2016/17 WINTER Hours

•Effective October 1st, 2016

During drop in time there is at least one space open (small or large side) in our rubber sports floor training area. Agility, obedience, rally and conformation equipment is always available during these times.

Reminder to ALL members:

Equipment **MUST** be used safely and for its intended purpose. Put things away if you take them out.

You **MUST** wear indoor shoes and dry off your dog's feet if it is wet.

Please do not walk your dogs on the east side of the Red Barn, use our back field (not our neighbour's field nor the pond) or along the parking lot and stoop to scoop.

Please be conscious of your time in the ring, switch out after 5 minutes or so if it is busy and keep waiting dogs as quiet as you can. Lots of barking dogs during busy times is not fun for anyone.

	Daytime	Evening
Monday	1 – 3 pm	
Tuesday	9 am – noon	
Wednesday	10 am - 1 pm	
Thursday	1 pm – 4:00 pm
