

HELLO AND WELCOME!

Thank you for choosing the Red Barn Event Centre for your dog training needs! We are very pleased to have a talented group of knowledgeable and caring instructors who can offer a large variety of companion and competitive dog sport classes. Our goal is to offer a safe and fun atmosphere to learn in and have fun with your best friend. We are glad that you are trusting us with your canine family member's education.

Regardless of what class you have chosen to participate in, there is always more to learn with your dog and more fun activities to try out. Check out our website to find out about all of the different types of classes we offer. We also offer the Red Barn Klub K9, a monthly membership where you can come and practice your dog sport homework in a non-competitive encouraging environment with other like minded individuals. You benefit from having all the training equipment there, as well as distractions to proof your training and time to socialize with your friends. And you get a Red Barn discount!

Did you know that you are training in one of the top dog sport facilities in Ontario? Our weekends are often booked with agility, obedience and rally trials and practice matches, as well as educational workshops and seminars and other canine focused special events. Come out and watch or volunteer to help out at any of these events. Or inquire about renting for your event! We love to do birthday parties for your dog or children's parties with a dog training them. Staff team building workshops are also a fabulous Red Barn specialty.

Feel free to ask your instructor any questions you may have about our facility or the sports we offer, or call or email us! You can also find lots of helpful information and a calendar of events on our website. And please join our Facebook page to get all the most current Red Barn updates! Happy training!

Also take a look at our partner information. These recommended companies have great services and products for both you and your dog.
