HEALTH REMINDERS:

No dog may be brought onto the grounds or premises of an event if it:

1. Is known to have distemper, parvovirus, kennel cough or other communicable disease;
2. Has recovered from distemper, parvovirus, kennel cough or other communicable disease within the last 30 days (prior to the event);
3. Has been housed within 30 days prior to the event on premises on which there existed distemper, parvovirus, kennel cough or other communicable disease.

Clubs do have the right to remove a dog from the event premises and the exhibitor may be subject to disciplinary action if it is found that CKC rules have been contravened.

Trial Procedure:

New dogs and/or handlers MUST identify themselves when they register and are required to come to the event at the earlier time listed for their heat on the entry list so that they may get a full briefing and start running prior to other teams arriving. If you missed registering as a new team, please contact the secretary immediately so that we can provide you the extra support you need. Please be aware that there is a 2 dog limit per heat per handler to allow for the smooth running of the trial. If you have more than 2 dogs to enter you will be placed in more than 1 heat. We also will combine heats according to entries if necessary.

When you arrive, park and proceed to our CHECK IN TEAM where your dog will get his/her first lameness check. All bitches must be swabbed and if she is in season, they must wear well fitted pants the whole time they are outside of their car at the event. This is a CKC rule.

PLEASE READ THIS BIG CHANGE as of August trials:

We have decided that using a dog ID number is just too confusing for everyone. Instead we will go back to referring to dogs by their call name. Please notice that the entry list is organized alphabetically. It is **NOT** a running order.

The running order will be created AT THE CHECK IN TABLE. You will be assigned a running order number when you check in and that will be your number for all three runs. You will be given a number card that you hand in when you enter startline gate and you will get it back with your results sheet after each of your dog runs. If you have more than one dog, we will strive to have 9 dogs between your two dogs. Running order will be assigned first come first served. Please keep this in mind because if you come once we have started and you have multiple dogs (or your releaser is also running dogs), you may not have many dogs between your dogs and it will be stressful for you.

Also, if you have a dog that barks the whole time you are in line or a very reactive dog, please let our wrangler know your dog is waiting out of site so we don't keep calling you. You can give the person ahead or behind you in line your place card and they can help to ensure you know when it is close to your time to run and then your dog must get in line. Very loud dogs stress everyone out including themselves, so we want to ensure that EVERYONE has a pleasant environment and everyone still gets to run safely.

All competitors are responsible for looking at the online live results sheet to ensure their dog's information is correct prior to the trial as well as after the trial.

We have **introduced a new catch pen area** that may be selected by the releaser/handler for your dog. There is a video for you to preview this on our Trials and Workshops page. This area will be an option available to handlers, but we will still utilize our regular method as well

Important SPRINTER rules:

The releaser must be capable of safely holding and releasing the dog. If someone has a disability, they can be the releaser but that must be disclosed so we can put a volunteer with that releaser to ensure the safety of the person and dog. We can only accommodate a couple of people for this at each trial and it must be disclosed in the entry form. If the wrangler, start line gate person or starter determines that the releaser or dog or other dogs are in danger due to the person's ability to release or dog's state of arousal during the trial the STARTER may either request a trained trial volunteer to release the dog or dismiss the dog from the trial without refund.

You can NOT leave a dog barking in your car the whole time. Do not let your dogs react to other dogs and the lure equipment when it is not his/her turn. This prevents others from fully enjoying the trial experience and our neighbours do not appreciate it.

All competitors **MUST** bring 2 leashes, one for the releaser and one for the catcher. There will be no extra leashes or handlers available. The dog owner is responsible for ensuring that their second person is present at the event on time. We cannot wait for any missing humans.

You cannot release or catch a dog with shoes showing any exposed skin. Shoes must cover the entire foot or you will **NOT** be able to run your dog. There will be NO refunds for this.

When a dog runs on the sprinter track, he/she must wear a flat collar with no tags. No harnesses, slip leads or martingale collars can be left on a dog when they run.

You must let the trial secretary know in advanced if your dog may be hard to catch so the volunteers can get the catching pen ready. Please do not try to go in the pen with your dog. Wait for the volunteers to safely catch your dog and they will inform you when it is now safe to get your dog.

Washrooms are accessible from the EAST side of the Red Barn. We cannot provide any access to drinking water at this trial.

You are responsible for bringing a pen, record sheet that was emailed to you. There will be no extra copies onsite. You are responsible to convert your time and points (info is on your record sheet) or download the rules from the CKC website at <https://www.ckc.ca/en/Files/Forms/Shows-Trials/Event-Rules-Regulations/Sprinter-Rules-and-Regulations-Effective-January-1>

The event secretary will not be available to competitors at this trial. All information will be sent to the CKC as required and the CKC will notify you of your titles earned. Final results will be LIVE on the Red Barn website.

Absolutely no one can sell any services or products at our trials. This includes photography, wellness services, treats, toys and other items. Please respect our club's choice to keep our atmosphere fun and casual.

Effective January 1, 2024

The CKC will not consider a request for any corrections to results if received more than 90 days following the date(s) of the event(s).

Exhibitors can verify the results at the event, watch for unofficial results to be posted on Canuck Dogs, or review the official results on your CKC portal where dogs are listed.

For corrections of unofficial results posted on the Canuck Dogs website, please go to the Contact page on Canuck Dogs, select Results Correction and complete the form. For CKC Official Results please e-mail information@ckc.ca with the subject line of Results Correction.

In order to make everyone's visit a safe and enjoyable one, please respect Red Barn rules:

- 1) PLEASE drive slowly down the long driveway. 10 km limit!
- 2) There is a private residence at the front of the property. Do not walk your dogs down the driveway towards the residence as it upsets the dogs who live there.
- 3) Only park in the designated parking area.
- 4) Dogs must be on leash (no flexi leashes are allowed) at all times, except when competing in the ring. No exceptions.
- 5) Not all dogs love other dogs. Please keep your dog under control and out of other dogs' faces, even if your dog is friendly.
- 6) Please pick up your dog's waste. Disposal bags and sites are readily available. Red garbage cans are doggy waste only.
- 7) Please clean up after yourself. Please take home your garbage and recycling (other than doggy waste-red garbage bins).
- 8) No smoking anywhere on the trial site.
- 9) Please do your best to keep barking to a minimum
- 10) Be nice to our volunteers. Remember if you want to be treated with respect – give others the same respect.
- 11) If there is anything, we can do to make your trial experience better, please let us know.
- 12) Sprinter is a team sport, so please leave prong or electronic collars and other correction gear at home.

** It shall be the duty and obligation of the trial-giving club to see that a judge, club official, volunteer, or any participant at an event held under these rules, is not subject to indignities of any kind. The Trial Committee Chair shall promptly report to the CKC any infringement of this regulation, and the Discipline Committee shall have the authority to take such action as it deems fit, on receipt of a report indicating that this has occurred. A non-member participation fee of \$62.40 plus HST will be charged to a resident of Canada who is a non-member of the CKC. The non-member participation fee is paid in any year a title is earned and covers all titles and dogs owned by that individual. In order for the title to be awarded, the non-member will have a choice to either become a CKC member or pay the non-member participation fee. Failure to comply within 30 days of notification will result in the title being withheld and the dog cannot be moved up to the next level. The fee applies only to dogs wholly owned by non-member residents of Canada and is not applicable to CKC members.

These events are open to mixed and unrecognized breeds. In order to compete, mixed and unrecognized breed dogs must have a Canine Companion Number (CCN) from the Canadian Kennel Club and must have a CKC-approved microchip. Mixed-breed dogs must be spayed or neutered. Unrecognized-breed dogs do not need to be spayed or neutered. A dog eligible for a CCN may not be entered as a listed dog. If a dog is not registered individually in the CKC studbook it may be entered as a listed dog per CKC rules for this designation, as of July 1, 2018; exhibitors must apply to the CKC for "temporary competition number (TCN), before event closing date". Effective January 1, 1992, all dogs that are foreign born and foreign owned and enter Canada for the sole purpose of entering CKC events will no longer require a CKC registration number but will require an Event Registration Number (ERN). This ERN does not register a dog for breeding purposes as defined in the Animal Pedigree Act, but rather enables a foreign-owned dog to be awarded titles by the Canadian Kennel Club. Each dog must have its own number. To obtain an ERN, mail or fax a photocopy of the dog's foreign registration certificate with a cheque. Cost is \$62.40, plus taxes. Event rulebooks and application forms for the CCN, ERN and Non-Member Participation Fee are available on the CKC website. For more information, contact: information@ckc.ca

Foreign Exhibitors: Personal US cheques will be accepted in US funds, but due to fluctuating currency rates they cannot be discounted. Please do not mark personal foreign cheques "Payable in Canadian Funds" or "At Par" as they will not be cleared by the banks. To simplify the process, we urge that you purchase bank drafts or money orders payable in Canadian funds. Thank you.

Thank you to our partners!
