

Welcome to the

RED BARN

Scent Seeker

Club

WHAT IS IT?

An off-site experience where individuals can independently practice dog and handler scent skills!

COST:

Current Red Barn Students - \$40+hst
Non Red Barn Students - \$55+hst

Registration operates on a month to month basis.

HOW DOES IT WORK?

- A photo will be taken of the location and the boundaries will be marked to outline the search area.
- Information on the location and a photo of the area will be sent out every Sunday morning including the address, description of where to find the search area within that location and how many hides are there.
- Teams can do searches blind and send a picture to our Scent Seeker Club leader of where hides are by Tuesday morning.
- **Teams can choose to search the area prior to Tuesday or wait until they are sent the hide locations if they would like to know where hides are first.**
- Our club leader will keep track of who has found what hides and on Tuesday at noon each week, the hide location photo will be sent to club members.
- Hides will be removed Saturday morning each week and moved to a new location.

LOCATION:

Each week, a new location in Barrie or within an easy driving radius of Barrie will be selected.

PERKS:

Scent Seeker Club will recognise member achievements every 6 months, host an (optional) in person get together every two months and host a guest speaker at 3 of the get togethers.

Exclusive Scent Seeker Club merch coming soon

HOW TO REGISTER:

to register for the Red Barn Scent Seeker Club, visit our website at
